Ingredients

Ingredients as defined by AAFCO

Directions for Use

Feed for 7 days as the sole ration.

Caution

Not for breeding ducks. The safety of feeding sulfadimethoxine and ormetoprim at levels higher than 0.04% (total drug) in breeding ducks has not been established. Medication should be started at the first sign of infection.

Warning

Do not feed to ducks producing eggs for food. Withdraw 5 days prior to slaughter.
